ORDER DENYING REQUEST TO RESET HEARING DATE

An oral hearing before a merits panel of the Board of Patent Appeals and Interferences (Board) has been set for September 12, 2006. The notice setting the hearing was mailed to Applicants on August 4, 2006. The date Applicants received the notice is not apparent from the record. On September 8, 2006, a facsimile letter was received wherein Applicants requested that the oral hearing be rescheduled. The request is denied.

According to counsel:

Appellant respectfully and urgently requests that the Board grant a rescheduling of the Hearing in the captioned matter due to an inadvertent, unavoidable and recently discovered conflict with that date by Appellant's Representative.

A telephone call was placed by the undersigned on September 11, 2006, with Appellants' representative, Mr. Scott F. Yarnell, to discuss the request for rescheduling. Mr. Yarnell stated that it was desired to have Mr. Schulman make the presentation at the oral hearing, however, Mr. Schulman was going to be involved in a deposition proceeding on September 12 from 9:00 AM until 5:00 PM

Pacific Time. The undersigned pointed out that that starting time for the deposition would actually be Noon in Eastern Time, which would be three hours later from the starting time of the oral hearing, and that counsel may want to consider making a video or telephonic presentation in lieu of making a personal appearance for oral hearing.

The Board has considered counsel's position and has not found it to be convincing. Accordingly, it is:

Ordered that the request to reschedule the oral hearing to a date after September 12, 2006, is denied.

If counsel wishes to have the oral hearing telephonically or via a video hearing, counsel may contact the undersigned no later than 8:45 AM Eastern Time on September 12, 2006, to arrange for such. The same consideration is given on an appeal whether it is on brief or heard.
